# Education with Care & Commitment

Let there be no day in your life in which  
you did no good to others

- St Kuriakose Elias Chavara - Our Founder

## OUR VISION

Christ Public School abides by its vision of 'KNOWLEDGE and EXCELLENCE.' The School imparts academic and spiritual knowledge in order to mould a student into a holistic human being.

It gives priority to an all-round development of each student who enters its portals; knowledge and excellence playing a pivotal role. The aim of the school is not merely preparing its students for examinations; rather, it has a higher and nobler goal of effectively helping them to develop in academic, cultural, social, physical and spiritual realms of life. Character formation and development of a noble personality are our twin additional mottos. It tries to make each student intellectually competent, psychologically integrated, physically healthy, socially acceptable citizen of tomorrow and a champion of justice, love, truth, mercy and peace.

## OUR INSPIRATION

Saint Kuriakose Elias Chavara was born in 1805 in Kerala. He founded the Congregation, Carmelites of Mary Immaculate (CMI), which is the first indigenous Religious Congregation for Christian men in India. He was a pioneer in the field of education. His educational endeavour commenced with the establishment of a Sanskrit School in 1846. The zeal of the founder St. Kuriakose Elias Chavara was handed over to his successors, who are still engaged in the cause of education in India and around the globe. Jesus Christ is the guiding light and St. Kuriakose Elias Chavara is the inspiration of Christ Public School.
